

COMMUNITY MEETING

Mothers and their children need a healthy environment in which to live and grow. Join us for a special **Mother's Day Event...**

Green Space? Jobs? Housing?

What do YOU want to see at the Fisk Plant Site?

PERRO (The Pilsen Environmental Rights and Reform Organization) for more than a decade lead the campaign in Pilsen that resulted in the closure of the neighborhood's biggest polluter – the Fisk Coal Plant on Cermak Ave. Now we have opportunity to construct something on the site that will benefit the entire community. PERRO is joining with FEDCMI (Federacion de Clubes Michoacanos de Illinois), Duango Unido and NALACC (National Alliance of Latin American and Caribbean Communities) to host a community forum to gather your input.

We want to know what you think.

The meeting will be in English and Spanish

Thursday, May 10th at 6:30 pm
@ Casa Michoacán, 1638 S. Blue Island Ave.
